#### **About Christel House International**

The mission of Christel House is to transform the lives of impoverished children around the world—breaking the cycle of poverty and building self-sufficient, contributing members of society. A focus on academic excellence through a robust K–12 curriculum is combined with a strong character development program to give students the skills and competencies necessary to compete successfully in complex 21st Century society.

Much more than a school, Christel House was established in 1998 by Founder and CEO Christel DeHaan, and currently serves over 4,550 impoverished students through eight learning centers — located in India, Mexico, South Africa and the U.S.A. The newest learning center, Christel House Jamaica is scheduled to open in 2019. Christel House students maintain a 98% graduation exam pass rate, and the majority of its graduates go on to pursue higher education. They become productive citizens, and many secure employment with top multinational corporations. Christel House graduates are confident, hardworking, responsible and ethical, with a passion for giving back to their communities and caring for their families.
