

2024 ANNUAL REPORT

From classrooms to life

For over 27 years, Christel House has been dedicated to empowering children from under-resourced communities to realize their potential and transform their futures. We've done this by providing the comprehensive support system they need to thrive, both in school and beyond.

FROM CLASSROOMS TO LIFE

BUILDING MOMENTUM FOR OUR GLOBAL MISSION

Dear Christel House Friends,

My passion for education and social impact is what led me to this incredible organization. Since arriving, I continue to be deeply inspired by the transformational work that our schools do every day. Christel House changes lives by not only providing a high-quality education, but by also ensuring our students get the holistic support they need to transcend poverty. I have nothing but excitement for the opportunities ahead and am humbled by the responsibility of carrying forward Christel DeHaan's extraordinary vision.

Christel's dream was always to expand our reach so more students could access the life-changing opportunities that Christel House provides. That is exactly what we are poised to do. From nine schools across five countries today, we are now on track to add five new schools, both by expanding in our existing countries and launching campuses in two new countries. This includes the January 2025 opening of a new high school in South Africa, and approval of new schools in Mexico and India set to welcome students in 2026. We also launched The Global Pathbuilders Fellowship, which attracted thousands of applications from leaders around the world eager to bring a Christel House school to their home countries. And we further expanded our impact this year by piloting a first-of-its-kind collaboration to extend our successful College & Careers program to four partner schools outside of the Christel House network. You can read more about our expansion plans in this Report.

Since our founding in 1998, Christel House has served over 21,000 students, and the success of our alumni speaks to the power of our model. Beginning on page 8, you'll find inspiring profiles of graduates who overcame incredible odds to build successful careers and give back to their communities. As we continue to grow, these stories fuel our commitment to ensuring every Christel House student has the opportunity to thrive.

Finally, on a personal note, I want to thank Bart Peterson, who retired as Christel House's President and CEO in 2024 after five years of dedicated leadership. Bart played an essential role in strengthening Christel House and positioning us for this next chapter of growth and impact. On behalf of the entire Christel House family, we express our gratitude to him for his vision, commitment, and unwavering belief in our mission.

As we look to the future, I am eager to work alongside our passionate school leaders, teachers, staff, students, alumni, board members, and supporters around the world as we build and expand our legacy moving forward.

Thank you for joining us on this journey.

David Harris
President and CEO
Christel House International

Students arrive for classes at Christel House India-Bangalore. Buses and transportation services are provided by Christel House.

A PLAN TO SERVE MORE STUDENTS

Dear Friends of Christel House,

It is an honor to serve as Board Chair of Christel House International, an organization that has been close to my heart for nearly two decades. Having had the privilege of knowing and working alongside our late founder, Christel DeHaan, I am firmly committed to ensuring that her vision continues to thrive. Christel House remains steadfast in our mission to break the cycle of poverty through education and holistic support, and I am inspired by the unwavering dedication of our Board, leadership, and staff who bring this mission to life every day.

On behalf of the Board, I am delighted to welcome David Harris as our new President and CEO. David’s leadership, vision, and deep commitment to this transformational work will be instrumental in guiding us into the future. We are confident that, under his stewardship, Christel House will continue to expand our impact.

In reflecting on the past year, we are grateful to Bart Peterson for his years of dedicated service. His leadership has strengthened Christel House in immeasurable ways, and his continued service as a member of the Board is a great gift. I would also like to express deep appreciation to Steve Ross for his years of service as our Board Chair and many contributions as the former Chair of the Christel House South Africa Board. His leadership and dedication have played a pivotal role in advancing our mission and impact. Finally, we honor the life of Dennert O. Ware, a long-time Board Member and steadfast supporter of Christel House. Denny’s generosity and commitment to our mission left a lasting impact on our organization and those we serve for which we are deeply grateful.

The Board is truly excited about plans for Christel House’s future. Expansion is part of our continued commitment to reaching more students and communities in need. I commend the Christel House International team for their exceptional work in maintaining support for our well-established schools while simultaneously laying the groundwork for growth. Their tireless efforts ensure that Christel House students receive the education and support necessary to achieve self-sufficiency and success. As we look ahead, realizing these ambitious goals will require the support of dedicated partners who share our vision for transforming lives through education.

We warmly welcome new Board Members: Kameelah Shaheed-Diallo, Juan Ignacio Rodriguez, Don Knebel, Mauricio Manjarrez, Mark Miles, and Shiv O’Neill. We are thrilled to have such accomplished, passionate individuals join the effort to guide Christel House forward.

With thanks for your continued support and optimism for the future,

Martha Lamkin
Christel House International Board Chair

GROWING OUR GLOBAL FOOTPRINT

Christel House is embarking on a bold expansion that will dramatically increase our global reach and transform the lives of thousands more students. With a mission to break the cycle of intergenerational poverty through holistic education, Christel House is not just growing in numbers—we are scaling our proven model to deliver lasting economic mobility for underserved communities. This expansion will enable Christel House to double the number of students we reach:

- ✳️ **CURRENT STUDENTS SERVED:**
7,084 STUDENTS ACROSS FIVE COUNTRIES
- ✳️ **STUDENTS SERVED AT NEW SCHOOLS:**
9,200 ADDITIONAL STUDENTS
- ✳️ **TOTAL NUMBER OF STUDENTS SERVED ANNUALLY WITH EXPANSION:**
16,000+ WORLDWIDE

EXPANSION: MEXICO, SOUTH AFRICA, INDIA

By expanding in three existing Christel House countries—Mexico, South Africa, and India—Christel House is reinforcing our commitment to high-impact education that goes beyond the classroom. These schools will collectively enroll 2,700 new students, providing life-changing opportunities to communities that need them most.

Building on our established presence in these countries, Christel House will leverage local expertise, community partnerships, and infrastructure to ensure each school's success.

LAUNCHING: TWO SCHOOLS IN NEW COUNTRIES

With more than 21,000 students educated across nine schools in five countries, Christel House is now poised for our next chapter. After months of meticulous research, we identified six potential countries for expansion: Ghana, Kenya, Colombia, Peru, Nepal, and Bangladesh. From this list, we will select two nations where we will launch new Christel House schools.

At the core of this expansion is the Christel House Global Pathbuilders Fellowship—an intensive, two-year program designed to identify and equip visionary leaders in our target regions. We've formed more than 50 partnerships with organizations in countries to help us recruit and identify fellowship candidates. The response has been overwhelming, with 2,331 applicants eager to join this transformative initiative. From this competitive pool, we will select two exceptional candidates, one for each of the new schools. These Fellows will receive the strategic, financial, and operational support needed to establish and lead Christel House schools in their respective countries. Ultimately, they will transition into the role of Chief Executive Officer, overseeing all aspects of the school, including fundraising, board relationships, external partnerships, and expansion. The final selection of Fellows and the two expansion countries will be announced in July 2025.

Growing our footprint will also require growing our community of supporters who are committed to empowering the next generation to rise beyond their circumstances and achieve their fullest potential.

As we expand, bringing on partners who believe in our mission will be crucial to ensuring that more students gain access to transformative educational opportunities. By working together, we can make an even greater impact and reach more children who need us most.

Dr. Jonathan Bii Chelilim, E.G.H., welcomes David Harris during a visit to Kenya, one of six countries under consideration as expansion locations for two new Christel House schools.

Visiting Colombia, Christel House's Ana Paula Buzo and Sarah Weimer explore partnerships with in-country organizations.

David visits schools in countries under consideration for a new Christel House.

Expansion team members Vignesh Krishnan and Raina Mansukhani meet Shisir Khanal, former Minister of Education and current member of Nepal's Parliament, to learn more about the country's government and education ecosystem.

A NEW LOOK FOR THE HOUSE CHRISTEL BUILT

As we embarked on an ambitious expansion, we recognized the need for our brand to reflect the depth and breadth of our impact. Our refreshed identity is deeply connected to 'The House That Christel Built,' a concept that symbolizes the foundation of opportunity, support, and transformation that defines our work.

This new look is not just a design update—it underscores our commitment to scaling our mission, and reinforces that Christel House is not just a network of schools but a catalyst for breaking the cycle of poverty and creating lasting economic mobility.

PROVIDING EACH STUDENT WITH 18+ YEARS OF SUPPORT

By providing a comprehensive support system that extends beyond the classroom, our students have achieved remarkable success, rising above their life circumstances, and breaking the cycle of poverty. Christel House's steadfast commitment to every child's long-term success is creating lasting and generational change.

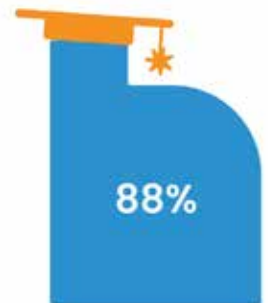

STUDENTS SERVED SINCE OUR FOUNDING IN 1998

STUDENTS SERVED IN 5 COUNTRIES ACROSS 9 SCHOOLS

ANNUAL K-12 RETENTION

GLOBAL ON-TIME HIGH SCHOOL GRADUATION RATE

SOUTH AFRICA HONORED AS TOP 10 WORLD'S BEST SCHOOL

Christel House South Africa was recognized in the World's Best School Prizes as one of the world's Top Ten Schools in the category of "Overcoming Adversity." The T4 Education's World's Best School Prize is one of the most prestigious education awards globally. "To be recognized as one of the Top Ten Schools in the world in overcoming adversity is such an honor," said Adri Marais, Christel House South Africa CEO. "As one of over 15,000 entries, we are particularly proud to be able to lift Christel House, and South Africa, to the world stage."

GLOBAL PROOF POINTS

- * 80% of Christel House India graduates complete post-secondary education. This is five times the rate of their national peers.
- * Christel House Mexico graduates are twice as likely to secure formal employment (jobs with benefits) compared to their national peers.
- * At Christel House South Africa, 95% of recent graduates are employed or continuing their education. This is in stark contrast to the national average, where 1 in 3 youth are disengaged (not in education, employment, or training.)
- * Christel House Indianapolis graduates have higher median incomes five years after high school graduation than all but one of Indianapolis's public school districts and charter school networks. They also have the highest earnings among Marion County high schools serving a high percentage of students from low-income backgrounds.

* INDIANAPOLIS AWARDED FOR EDUCATIONAL EXCELLENCE

Christel House Indianapolis was honored with the top award at the third annual Indiana Educational Excellence Awards Gala, receiving the prestigious "Excellence in Next Level Educational Experiences and Opportunities" recognition. The award highlights the school's transformative approach to preparing students for the future through a holistic focus on literacy, STEM, and college and career readiness.

* JAMAICA BREAKS GROUND FOR HIGH SCHOOL

Christel House Jamaica celebrated a groundbreaking ceremony for the construction of a two-story high school on the campus. Jamaica's Minister of Education and Youth, Hon. Fayvel Williams, remarked that Christel House's dedication to breaking the cycle of poverty and empowering vulnerable children is "nothing short of inspiring." The new high school is scheduled to open in the Fall of 2025.

COLLEGE & CAREERS COLLABORATION LAUNCHES WITH PARTNER SCHOOLS

For the first time, Christel House is offering our College & Careers program to schools outside of our network. Our Career Coaches are now working with over 1,000 students at four Indianapolis partner high schools: Lawrence North, Lawrence Central, Herron Riverside, and Irvington Preparatory Academy. "We knew that post-secondary counseling services were an area we needed to grow in," says Jana Goebel, Principal of Irvington Preparatory Academy. "It's been such a good partnership with Christel House International."

Like the College & Careers program at Christel House schools, coaching within the collaboration will also provide support for students at the partner schools beyond high school graduation. "That is what makes the program so unique," says Claire Humphrey, Christel House Career Coach – students tell her, "Okay, I'm not going to be on my own." She looks forward to continuing the journey with her students. "I'm going to be there for them – and help guide them through it."

CHANGING LIFE OUTCOMES

THE SUCCESS OF OUR GRADUATES
EMBODIES OUR MISSION. THEIR STORIES
ARE AN INSPIRATION FOR ALL.

PAVITHRA N

Class of 2020, Christel House India
SDE at Siemens Healthineers - Bangalore

From the moment she stepped through the gates of Christel House India as a kindergartner, Pavithra found more than just a school—she found a family. Raised by a single mother who worked multiple jobs to support her, Pavithra faced many challenges growing up, but Christel House provided the stability and care that made all the difference.

Pavithra joined Christel House in kindergarten. “My mom worked tirelessly to provide for me, but Christel House made a significant difference in our lives. Whenever I faced struggles, be it mental, physical, or academic – Christel House was always ready to lend a hand.” Pavithra points to falling ill in high school as proof. The school covered her medical expenses and teachers provided support. “Despite their busy schedules, my teachers went out of their way to help me, always willing to put in extra effort to ensure I succeeded.” At university, she earned a B.E. in Artificial Intelligence & Machine Learning. Career success has provided financial stability for her family. “It makes me feel incredibly proud, happy, and grateful.”

“The journey won’t always be easy, but the challenges will only make you stronger. Be grateful for the support you receive and always look for ways to give back.”

ARUN KUMAR H

Class of 2011, Christel House India
Team Lead UI & UX ModeFinServer Pvt Ltd.

“Poverty was the greatest challenge,” admits Arun, “but it strengthened me to overcome and break the cycle.” He’s proud to have been part of the first graduation class from Christel House India. The College & Careers program was new when he was getting ready to graduate. But from the beginning it was making a difference for students. “They guided me in choosing the path I aspired to follow despite the challenges they faced as we were part of the first batch.” He went on to university and earned a B.Sc in Physics, Mathematics, and Electronics.

LUNA RANGEL PREDRAZA

Class of 2019, Christel House Mexico
Internal Communications,
Vips, a subsidiary of Alsea

For Luna, attending Christel House Mexico was a dream come true. "I faced many challenges, both socially and economically." Through Christel House, she was awarded a scholarship from the Alsea Foundation that covered full university tuition, a company internship, and eventually employment. Looking back at the support she has received, Luna expresses gratitude to the teachers and staff at Christel House. "Each one left an enduring mark, inspiring me to pursue my dreams."

**CH GRADUATES ARE 3X
AS LIKELY TO COMPLETE
POST-SECONDARY STUDIES**

RODRIGO OLIVARES

Class of 2010, Christel House Mexico
Psychologist

Rodrigo Olivares, a member of the third class to graduate from Christel House Mexico (in 2010), transformed challenges into opportunities through perseverance and support. Growing up without a father, his mother's guidance and the nurturing environment of Christel House played a pivotal role in his success.

"My time at Christel House was a wonderful experience," says Rodrigo. "After high school, he was accepted into the psychology program at prestigious UNAM. As a psychologist, he has continued his education, earning two postgraduate diplomas and is working on a third. He also founded "Psicoeduca," a program dedicated to providing affordable psychology training and professional development. He credits his mother for her unwavering support. "My brother and I have demonstrated that hard work and dedication can lead to remarkable achievements."

"It's natural to feel overwhelmed at times. By staying curious and embracing opportunities, you can overcome challenges and discover new horizons."

ZINEDINE AVALOS

**Class of 2019, Christel House Indianapolis
Architectural Designer, MSKTD**

Zinedine says Christel House Indianapolis provided him structure to pursue his dream – becoming an architect. He graduated with a Bachelor of Architecture degree from Ball State University. “My experience as a Christel House student was great,” he says. “I was able to find ways to involve myself with people and programs that benefited my interests, as well as advancing my education.” His experiences are having an impact. “My siblings now see how far the College & Careers program can take someone. My family is proud of what I have been able to do, and I have been able to contribute as well to motivate them to chase a goal.”

**2 IN 3 CH GRADUATES

CAILIN WHITE- COLEMAN

**Class of 2015, Christel House Indianapolis
Therapist, Riley Children’s Hospital**

A 2015 graduate of Christel House Indianapolis, Cailin reflects on the close-knit, supportive environment that shaped her journey. With just 24 students in her graduating class, she valued the strong bonds with classmates and the individualized attention from teachers.

Cailin enjoyed the smaller class sizes at Christel House. “Growing up with the same people since third grade was like having a few additional family members,” she says. “We also were able to have better individualized connections and assistance with our teachers. At larger high schools that’s not possible.” After Christel House, she earned her bachelors and master’s in social work at the University of Indianapolis. And she did both in just four and a half years! “I came into college with 12 credit hours and was able to graduate early,” she says. “Dual credit classes at Christel House Indianapolis are gold!”

“Even post-five years after graduation, Christel House continues to keep up with me. That’s nice to have someone consistently supporting and checking in on you.”

ALUMNI IN EDUCATION,
TRAINING, OR EMPLOYMENT

NASEEFAH ADAMS

Class of 2017, Christel House South Africa
Project Administrator, Stowe Holdings

Naseefah, a 2017 graduate of Christel House South Africa, overcame the daily challenges of life in Manenberg, where gun violence and financial struggles were a constant reality. Starting at Christel House in Grade 3, she found a safe, warm, and caring atmosphere. It was more than a school.

As a young child, Naseefah vividly recalls how her parents struggled to make ends meet – “watching them stressing as to where the next meal is going to come from,” she says. Enrolling at Christel House and receiving the education, nutrition, and healthcare that is part of the school felt like a dream. “What stood out for me was the nurturing environment that was created since day one. Christel House was truly a home away from home.” The school’s support continued through high school and beyond as she attained her Bcom Degree in Information Systems and Finance. Her education is pivotal to her success and has positively impacted her family. “All the efforts of the staff at Christel House sound too good to be true – but it is!”

“Like they say, it takes a village to raise a child. I am now showing my appreciation to the village who was part of my upbringing.”

NOSIVIWE MPUKANE

Class of 2019, Christel House South Africa
BA in International Relations, Stellenbosch University

“My parents blessed my siblings and me with a beautiful childhood, enrolling us in Christel House,” says Nosi. “The challenges surfaced outside my home.” Violence, substance abuse, and a lack of positive role models were some of the problems in her community. “Christel House has granted me numerous opportunities.” While attending university, a dream to go overseas became a reality when Christel House started an initiative called ‘Help Nosi Get to China.’ “I received many donations from almost everyone at Christel House. I am extremely grateful for that.”

ANGELLY MONTOYA

Class of 2021, Christel House DORS
Finance Analyst Internship, IU Health

Angelly, a graduate of Christel House DORS, the adult high school, found a new path to success after moving to the U.S. in 2019. With her high school diploma from Nicaragua not recognized in the U.S., she turned to DORS, where she not only earned her diploma but also learned English.

When Angelly moved to the U.S., she thought she had left her dreams behind. A cousin told her that she could get a high school diploma at Christel House DORS, learn English, and even go to college! "It was an amazing experience. I found it an incredible opportunity," she said. "The teachers motivated me in my journey even after completing my diploma. They are still there for me. They saw potential in me even when I was not able to see it." Angelly is finishing a double major in Finance and Accounting from Indiana University and doing an internship. "As a first-generation student, this achievement brings hope and dreams to my family and community in Indiana. Thanks to my success, my siblings and cousins can see that they have opportunities."

"We all have a different path and opportunities. Don't compare your circumstances with others. Keep moving forward at your own pace. Just never stop, you will achieve it."

OGHENERUKEVWE OGBE

Class of 2024, Christel House DORS
Nursing Studies, IVY Tech Community College

"I wanted a fresh start," says Oghenerukevwe. "I have a high school certificate and a bachelor's degree from my home country (Nigeria). My aunty introduced me to Christel House DORS. What stood out for me was how welcoming the institution is." Earning her diploma with support of the College & Careers program, Oghenerukevwe is studying to be a nurse. "The program has helped me especially getting into college." She appreciates how the teachers stay in contact. "Even after graduating, I am checked up on a regular basis. They have never failed to encourage me even when I was at my lowest. I am entirely grateful."

CH GRADUATES HAVE 3X THE FORMAL EMPLOYMENT RATE OF THEIR PEERS

DANIELLE S.

Grade 6, Christel House Jamaica

Being at Christel House has given Danielle access to a variety of activities and helped her realize she has many strengths. "When I was at my old school, I didn't really participate in many things, but here, I am in netball, drama, and art." And while art and netball are her favorite activities outside of class, Danielle says she has always loved math. "It's a subject you really have to think about before you submit an answer." And she likes the challenge.

TAJAY H.

Grade 6, Christel House Jamaica

Tajay is working hard to make the most out of this opportunity at Christel House Jamaica. He even made a vow to his mother about his schooling: "I made the promise to her that I would never miss school, unless I am sick. She wants me to be really smart." Tajay is well on his way — he was Top Boy in 2023 and 2024. His favorite subject is math. He says math comes easy. "No matter how hard it is, I get it quickly. I was always obsessed with math."
